Why Indian Doctors Choose Germany for PG

Germany offers world-class training, financial independence, and a clear path to permanent residency for medical professionals.

World-Class Healthcare

Train in modern infrastructure at hospitals like Charite, LMU Klinikum, and Heidelberg — the best in Europe.

Zero Tuition Fees

No tuition for Weiterbildung. This is paid hospital employment, not a tuition-based course.

Earn While You Train

Earn up to €5,500/month gross as Assistenzarzt. Even during temporary license phase, earn approx. €2,700/month.

Facharzt Title

The Facharzt (specialist) title is recognized across the EU, valued by UK GMC, ECFMG, and AHPRA.

Fast Permanent Residency

Blue Card holders with B2 German can get PR in just 21 months. Germany now allows dual nationality.

Massive Doctor Shortage

20,000+ vacancies yearly. Hospitals actively recruit non-EU doctors with year-round hiring.
